8. The reasons adduced for including the two hoblies of Mallikpatna & Kancana in the Malkund Improvement area are the following:-

(1) In 39 villages there has been a considerable decrease of population.

(2) There is an overgrowth of lantana in 55 villages.

(3) Want of good drinking water.

(4) That the villages in the 2 hobblies border on the Coast premier & the Agency tracts.

9. Vide G.O. No. 30 dt. 24.2.1914 on the Scheme for the Improvement of the Malkund region entirely to the Malkund tracts. It is apparent for orders whether the Scheme can be extended to other than Malkund, merely on the ground that there is advance of population in those villages. ~~Complaints of~~ overgrowth of lantana & want of good drinking water are the standing complaints in numerous villages, and are being dealt with in other agency tracts in the whole State.
